We're a family run business with nearly 30 years' experience hosting private events, we'll help your celebration run smoothly from start to finish, while keeping everything flexible and stress-free.

## **The Venue**

### **Main Function Space**

Our main area includes the conservatory, bar and garden, with space for up to 120 guests — ideal for lively celebrations, dining, dancing and making the most of the venue. There is also the option to open the garden bar and have garden cover with a large marquee, perfect for the larger events

### **Additional Function Room**

(Optional Add-On or stand alone hire)

We now also have a second, separate function room with its own private bar, holding up to 35 guests. This can be booked on its own for smaller parties or as an extra space to the main area.

It's perfect as a more relaxed breakout area, a games room, a Photo Booth space, or anything you'd like to add to make the event your own.

It can flow into the main space or be made completely separate with its' own entrance

You are welcome to provide your own playlist, band or DJ. If you'd like a DJ or live band, the additional function room must be booked.
