

Storyteller Christmas Booking

Information Pack

✨ Private Hire • Exclusive Use • Two Beautiful Spaces Available
each with their own bar and entrance ✨

Thank you for considering Storyteller for your Christmas celebration. Whether you're planning a company party, festive get-together, or end-of-year celebration, we offer a relaxed, premium venue with flexible booking options — and a brilliant atmosphere.

We're proud to be a family owned venue with nearly 30 years of experience hosting unforgettable celebrations. From first enquiry to last drink, we're experts in looking after large parties smoothly and professionally - while still delivering a personal, welcoming experience every single time.

The Conservatory

The stunning Conservatory is the main space and includes, garden with marquee cover and the main bar — perfect for lively Christmas parties.

The Cocktail Suite

A stylish space with its own bar — perfect for smaller teams, more intimate parties, or as a relaxed festive lounge area.

✨ Both spaces can be booked:

- together, flowing as one bigger party space
- separately, remaining completely private from one another

✨ Exclusive Hire/Private Hire Bookings

When you book Private Hire, your space is exclusively yours.
That means:

- No sharing with other parties
- Full use of your booked space
- Your own dedicated bar area

🎵 Please note: If you'd like a DJ or live band, both spaces must be booked.

Christmas Menu

✨ Our Christmas menus are carefully crafted by our head chef who has been with us for over 15 years, ensuring quality and consistency every time. Each dish is freshly prepared in-house with real care, and every dish is homemade - including our desserts - to make your festive celebration truly special.

Our Christmas menu will be ready late spring, and full details will be released as soon as it's finalised.

✨ Pricing will be confirmed once the menu is complete.

Last year's menu was £38.50 per person and this year's menu will not exceed £40 per person.

Important catering note:

All Christmas parties taking place in December must be catered by us.

If you would like a bar-only booking, this may be considered on request but will usually require a higher minimum bar spend.

Buffet option:

We can also offer a buffet-style Christmas menu for a more casual party style.

Please note: a higher minimum spend applies for buffet bookings (subject to availability).

Drinks Options & Packages

We can tailor the bar setup to suit your party and budget:

- Drinks tokens (ideal for controlling spend)
- Arrival drinks (pre set an amount of drinks for arrival)
- A bar tab (we can run a tab set by you behind the bar)
- Pay-as-you-go (guests are welcome to purchase their own drinks)
